If your number was the first of that specific number registered in 2007, your number will be guaranteed if this registration form is received by HMP by January 31, 2008. In 2008, in an effort to improve the quality of officiating and scoring, HMP will use numbers only. No alphabetical letters will be allowed. Only one of each number will be allowed per class. No duplicate numbers per class. Numbers may be a maximum of three digits. Example: 01 and 1 are two different car numbers and both will be allowed but 1X will not be allowed.
